Inspiring & Creative Arts & Sports Courses

Sport Inspiration *Multi Sports & Football Courses*

Our inspiring multi-sport & football curriculum will provide young people with an opportunity to engage in high tempo structured activities which will include set teaching drills, and fun learning games by qualified coaches. Our courses provide innovative and creative teaching methods that introduce sports technique and skill development within a positive learning environment tailored to their age and abilities. The multi sports curriculum is a mixture of the favourite activities that we teach in schools that young people have told us they love.

Inspiring & Creative Arts & Sports Courses

Brick Inspiration Lego® Workshop *You can build it – with LEGO® bricks*

Our courses explore, science, technology, architecture, engineering and art concepts using LEGO® bricks. The possibilities are limited only by their imagination. The workshop will fire up your child's imagination and spark creativity in the form of inspired play following one of our many themed LEGO builds coupled with our magical delivery. The day will provide your child with an opportunity to design and build LEGO® creations working either individually or in groups and participate in challenges, group competitions as well as free build time towards the end of the day.

LEGO® is a registered trademark of the LEGO® Group of companies which does not sponsor, authorize or endorse these courses
